

e-Discussions IOBE 2020

The Greek economy and the European context: (new) crisis and opportunities

The Foundation for Economic and Industrial Research-IOBE invites you
to the online discussion

“Science in the COVID-19 pandemic”

How are health and economic crisis changing the role of science?

How are priorities being formed between sectors and basic and applied research?

Is the international character of research and higher education declining or strengthening?

How (should) citizens and policy makers view science?

Wednesday 20 January 2021 | 17:00 - 18:30

Speakers:

[Spyros Artavanis-Tsaknonas](#), Professor Emeritus of Cell Biology, Harvard Medical School και Collège de France

[Pinelopi Goldberg](#), Elihu Professor of Economics, Yale University

[Dimitris Bertsimas](#), Boeing Professor of Operations Research and Associate Dean of Business Analytics, MIT

Moderator: Nikos Vettas

General Director, IOBE and Professor, Athens University of Economics and Business

The discussion will be live-streamed in Greek [here](#)

Info:  210 9211200/233
